Salz,

I would like to request 6 plaques of appreciation to individuals who assisted with the investigation of TSO. pleaded guilty and is scheduled for sentencing on 2011,

After the sentencing I would like to present these plaques to the Officers and attorneys that assisted and pursued this case. We had some cultural and language barriers however the Officers went beyond their regular duties to assist us. Also, the attorneys pursued this case under a newer statute, Title 18, USC 249, the "Matthew Shepard and James Byrd Hate Crimes Prevention Act." According to the Civil Rights Division, this is only the 2<sup>nd</sup> conviction since the statute was enacted in the fall of 2009.

Below are the names of the individuals: Let me know if this is okay.
